### Spanish 1 (Credit Recovery)

A diagnostic driven credit recovery course is designed to give an expanded opportunity for students who did not succeed the first time in the course.

Students are given the opportunity in each learning unit to demonstrate their knowledge in that area of study. If they demonstrate competency in their unit assessment they will be presented with the following unit. If they do not demonstrate competency then they are required to do the entire unit.

#### **Requirement:**

For a student to take a credit recovery course, they must have already taken the class unsuccessfully and have the appropriate seat time.

**Prerequisite:** Spanish 1 (Student must have taken Spanish 1 unsuccessfully and have the appropriate seat time).

**Course Length:** One Semester

**Required Materials:** None

Spanish 1 CR is designed to develop an authentic and practical understanding of the Spanish language and culture. Students will have the ability to express their thoughts, feelings, and opinions in the target language within basic, real-life situations and learning scenarios. All new concepts, grammatical concepts, and cultural information will be introduced in context while incorporating various listening, speaking, and writing activities.
